## SUMMARY OF UPDATES

### ST. VINCENT AND THE GRENADINES: NATIONAL EMERGENCY MANAGEMENT ORGANIZATION

- No damage has been reported at this time.
- A total of 124 persons are in emergency shelters
- NEMO will continue to monitor the passage of Dorian and provide updates where necessary.

## Caribbean Disaster Emergency Management Agency (CDEMA) Actions

- The Regional Coordination Plan (RCP) remains activated (as at August 24, 2019)
- The Regional Response Teams remain on ALERT pending the ALL CLEAR from Dorian from the threatened CDEMA Participating States.
- CDEMA and the UN Resident Coordinator will Co-Chair the third meeting of the Regional Response Mechanism Partners - Caribbean Development Partners Group - Disaster Management (CDPG DM), at 1:00 PM today, August 27, 2019 at the UN House in Balmoral Gap, Bridgetown Barbados. The Caribbean Institute for Meteorology and Hydrology (CIMH) will provide a brief to this meeting.
- CDEMA CU urges all Participating States and members of the Regional Response Mechanism (RRM) to continue to monitor the progress of this system as it tracks towards CDEMA Participating States in the northwestern region.
- The CDEMA CU will continue to monitor the track of Tropical Storm Dorian and provide updates as necessary. For more information please visit [www.cdema.org](http://www.cdema.org)
