

Welcome Back!

We are waiting for all participants to join and we will begin shortly.

In the meantime:

-  • Please mute your microphone
-  • Have your phone at hand, we will use it during the session
-  • Refill your cup of coffee or preferred beverage
-  • Change your Zoom name to [Name, country, area of expertise]

SHOCK-RESPONSIVE SOCIAL PROTECTION

3.1 Welcome back and refresher from day 1!

TAKE AWAY FROM LAST FRIDAY?

- ❖ What would be your one take away from last week?
- ❖ We should be clear about what social protection entails and ways social protection programs/ systems can be leveraged in response to a shock
- ❖ We understand better the relevance of using social protection in response to a shock and are conscious of the opportunities & challenges
- ❖ We know we are not starting from scratch!

HOW MUCH CAN WE USE THIS KNOWLEDGE TO CONVINCING OUR HON. MINISTER OF FINANCE?

- ❖ <https://flipgrid.com/s/Uh3uPzW3Xz6GQYEV>
- ❖ <https://flipgrid.com/s/8VkrdeDjv3pYLPxY>

TOPICS COVERED

No.	Sessions
Friday 16th October DONE!	
1	Develop a common understanding of (shock responsive) social protection and share experience of our region
2	Discuss the relevance of linkages between social protection and disaster risk management
Thursday 22nd October	
3	Use tools to assess the potential role social protection programs and their underlying systems can play in response to shocks faced and to understand potential trade-offs in design choices
4	What do we need to move the agenda back home?

LET'S GET STARTED!
